MANAGING TALENT IN VUCA TIMES

We look forward to welcoming you to Pakistan's Premier HR Event **HRM SUMMIT 2017 on Managing Talent in VUCA Times** (12th Edition of Annual HRM Event) by **Nutshell Forum**. Innovative learning opportunities, high-level academicians, Smart Stage presentations covering innovative new and best HR practices, and featuring HR professionals from well-respected organizations.

Business gurus and global leaders both believe that we live in a VUCA (Volatile, Uncertain, Complex and Ambiguous) world. Business leaders are wary of the myriad traps that confront them in uncertain and complex environments. Often they are energized by the opportunity to gain an edge over competitors, and excited at the profit possibility inherent in mastering this challenge.

Is your Organization Agile enough to keep up with the pace of change in business? What's required to build a deep talent bench for robust and agile succession planning?

Meet renowned speakers that offer fresh perspectives and inspiring stories that can help shift your perspectives and deepen your understanding of leadership, motivation, and success. You'll hear from business leaders, HR practitioners, consultants and academicians and get perspectives that can change how you do your work - and how you see the world.

Experts at the HRM SUMMIT will break out the components of VUCA. The best practices will be shared to help you understand the exact

nature of the problems faced, and identify the unique challenges present Era. You'll be able to choose from a broad range of topics so you can customize the learning you need. Let's make you delve into the cutting-edge trends that will impact your workplace in the next few years; build a strategic talent management plan to increase engagement and retention. Whatever you need, our program will have something for you.

Have you learned the next big change to transform your organization? What's required to build a deep talent bench for robust and agile succession planning?

Attend the HRM SUMMIT if you have been coping with unstable, frequent and unpredictable change. Learn how to build the skills of agility and flexibility into workforces and workplaces to cope with this volatility. There is ample opportunity for you to meet HR professionals who share your goals and your challenges which gives you access to thousands of solutions-providers in every industry.
